

NOTICE OF VIRTUAL WORKSHOP ON THE EMERGING PREFERRED PLAN FOR THE WATERFRONT November 24, 2020

The Township of Scugog has retained The Planning Partnership, together with Baird and TCI Management to come up with an action plan for the Port Perry Waterfront. The Action Plan will make recommendations for short, medium and long-term actions with respect to recreation, natural and cultural heritage features, economic development and tourism on the waterfront; to ensure that Port Perry continues to be a vibrant and thriving community for residents and visitors.

Workshop #2 was held in February 2020 where residents were invited to help design options for the waterfront. In the spring of 2020, the Township released 3 options for the waterfront and a survey to gather public input on the various elements proposed in each of the options. The Township is now inviting residents to Workshop #3 where a presentation will be given providing an overview of the three options, the results of the evaluation of those options and the components being proposed in an emerging preferred plan.

WE WANT TO HEAR FROM YOU

There will be three virtual sessions held on **November 24, 2020**. The sessions will be facilitated through the GoTo Meeting platform with the materials presented on screen. Each session is open to 40 people in order to hear comments from those participating. Please register through the Township's website should you wish to participate in the workshop electronically and choose the time below that best suits your schedule:

<https://my.scugog.ca/waterfront>.

❖ 1:00 – 2:30 pm

❖ 3:30 – 5:00 pm

❖ 6:30 – 8:00 pm

A meeting link will then be sent the day before the workshop. Should you be unable to access a computer, please contact Robin Prentice at the contact information below for alternative participation options.
